EXECUTIVE SUMMARY

Dynamic fullstack developer with internship experience in crafting responsive web applications using React and the MERN stack. Possesses a solid foundation in developing reusable UI components, integrating REST APIs, and thriving in Agile team environments through Git-based workflows. Committed to delivering clean code and user-centric designs that enhance product reliability and performance. Eager to contribute innovative solutions that drive project success and elevate user experiences.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), HTML5, CSS3, Python

Frameworks: React, Angular, Node.js, Express.js

Tools: MongoDB, REST APIs, Git/GitHub, Vercel, Figma

Core Strengths: Problem Solving, Agile Workflow, UI/UX Collaboration

EXPERIENCE

Full Stack Developer Intern | Wipro — **07/2025 – 08/2025**

- Developed full-stack features using the MERN stack, improving end-to-end data flow between UI and backend services.
- within Agile sprints and maintained collaborative code quality through Git-based version control.
- Collaborated with cross-functional teams to define project requirements and deliverables.

React Developer Intern | SPARK Solutions — **03/2025 – 04/2025**

- Built responsive and accessible interfaces in React with reusable, maintainable component structure.
- Integrated REST APIs for dynamic content rendering and improved front-end efficiency through targeted optimizations.
- Collaborated with designers to implement UI/UX improvements.

Web Developer Intern | Rinex.AI — **01/2025 – 03/2025**

- Developed responsive web applications using HTML, CSS, and JavaScript frameworks.
- Assisted in troubleshooting and debugging website functionality issues.
- Implemented version control practices using Git for efficient project management.

PROJECTS

Yuva Club Website | MERN Stack

View at: https://yuva-web.vercel.app/ | GitHub: https://github.com/Sugeshan19/yuva-web

- Developed a responsive platform supporting member registration and event management workflows for a student club.

EDUCATION

B.E. Computer Science Engineering | Saveetha Engineering College — **Expected 04/2028**

CGPA: 7.98

Active member, Coder's Club and Tech Society.

Branding Ambassador , Yuva Club
